

W-8BEN Request Instructions

Independent Contractor Tax Documentation

Document	W-8BEN Request Instructions
Contractor Legal Name	_____
Requested By	Bastida Systems LLC
Use	Tax documentation request only; not a substitute for the official IRS form.

Legal Review Notice: This document is a draft agreement for internal planning and contractor onboarding purposes. It is not legal advice and should be reviewed by a qualified attorney before use or signature.

1. Purpose

Bastida Systems may request Form W-8BEN from independent contractors who are not U.S. persons before issuing payments. This document provides instructions only. It is not the Form W-8BEN and it is not tax advice.

2. Official IRS Form

The contractor should complete the official IRS Form W-8BEN in English if the form applies to them. Bastida Systems is not creating a translated substitute, editable replacement, or modified version of the IRS form.

The contractor should use the current official IRS form and instructions available from the IRS or from a qualified tax professional.

3. Return Process and Privacy

Do not send the completed W-8BEN to the IRS for this contractor onboarding request. Return it securely to Bastida Systems using a method approved by Bastida Systems.

Do not send the form through insecure channels if it contains sensitive personal or tax information. Bastida Systems will keep the form as a private legal/tax document.

4. Contractor Responsibility

The contractor is responsible for providing accurate tax information, signing the form if required, and updating Bastida Systems if the information becomes incorrect or outdated.

If the contractor has questions about whether the W-8BEN applies, how to complete it, treaty claims, tax residence, or withholding, the contractor should consult a qualified tax professional.

5. Contractor Fields for Internal Tracking

Contractor Legal Name: _____

Email: _____

Country: _____

Tax Country of Residence: _____

Date Returned to Bastida Systems: _____

This Agreement is provided in English and Spanish. In case of conflict between versions, the English version will control, unless otherwise required by applicable law.
